

COLONNADE DENTAL MEMERSHIP PLAN ONLY \$249!

Two Preventative Cleanings Per Year *

One Set of Bitewing X-rays* Three Anterior Periapical X-Rays *

One Panoramic X-ray (if applicable) *

Two Fluoride Treatments (if applicable)

Two Dental Exams by Dr. Stephenson

One OralID Oral Cancer Screening

20% off dental treatment (does not apply to cosmetic dentistry (veneers, resin bonding), orthodontics, or any of the teeth whitening systems)

***For patients needing treatment for active gum disease (periodontal disease) a detailed treatment plan will be created to treat your disease. Dr. Stephenson and his staff will discuss this with you during your initial visit. Your gum disease treatment may require more than 2 visits per year and/or more extensive x-rays and periodontal charting.**

***Any additional necessary x-rays will be 20% off regular price. Conditions such as tooth infection, third molar evaluation (wisdom teeth), Root canals, Crowns, Inlays, Onlays, and Extractions will require additional x-rays. You will be given treatment plan estimate before services are rendered.**
